## Education

- Master degree of Pharmaceutical Sciences in Analytical Chemistry in July 2012  
The thesis titled “ New instrumental methods for determination of some pharmaceutical Compounds acting on cardiovascular system.”
- B.Sc. in Pharmaceutical Sciences, Faculty of pharmacy, Zagazig University, Egypt. May 2005  
-Excellent with honor degree`

## Position

- Assistant lecturer of Analytical Chemistry , Faculty of Pharmacy, Zagazig University , Egypt. (september 2012 till now)
- Demonstrator of Analytical Chemistry , Faculty of Pharmacy, Zagazig University, Egypt ( December 2006- September 2012

## Experience

- Practical Teacher for pharmacy students in Parmaceutical Analytical Chemistry practical courses in Pharmaceutical Analytical chemistry Department, Faculty of Pharmacy, Zagazig University, Egypt ( December 2006 till now)
- Researcher in Pharmaceutical Analytical Chemistry Department, Faculty of pharmacy, Zagazig university, Egypt(February 2008- till now.

## Practice and training

- **Research**

Excellent experience in the following techniques in analytical Chemistry research:

- Spectrophotometry
- Spectrofluorimetry
- Atomic absorption spectrometry
- Potentiometry
- Conductometry

- **Language**

- Arabic Mother Language
- English (First foreign language, TOEFL ITP score 530)

- **Computer**

Very good Computer skills

- International Computer Driving Licence (ICDL) certified (2010)
- Windows XP, Vista, Seven                    -Microsoft word 2003-2010
- Microsoft Excel 2003-2010                    -Microsoft Power point 2003-2010
- Internet Communication                        - SPSS
- Chemdraw 11, Isis draw
